

AFFILIATE TRAINING PROGRAM

A Flight Training Affiliate (FTA) is a contracted, FAA Part 141, flight training provider for Liberty University School of Aeronautics. Students enrolled at an FTA can complete their Bachelor of Science in Aeronautics online in approximately 2.5 years. Students who participate in the school's dual enrollment program may finish the program in less time.

UNIQUE BENEFITS

OF LIBERTY'S FLIGHT TRAINING AFFILIATE PROGRAM

- » For eligible recipients of the Post-9/11 GI Bill®, books, written exams, headsets, charts, and check ride costs could be covered.
- » The Veterans Administration (VA) Post-9/11 GI Bill® program entitles veterans, their spouses, and their dependent children the opportunity to be awarded up to 100 percent of their educational expenses, including a housing stipend.
- » Liberty University is a partner in the Yellow Ribbon program, which allows eligible students to continue their studies once the annual GI Bill® funding has been exceeded. Liberty does not have an annual cap on Yellow Ribbon programs.

WHAT YOU CAN EXPECT

- » Part 141 flight instruction
- » Short turnaround time between your application and your first flight
- » Exceptional customer service
- » Training to fit your schedule (accelerated, evenings, or weekends)
- » Regional airline hiring agreements

RESTRICTED "REDUCED-HOUR" AIRLINE TRANSPORT PILOT (ATP) PROGRAM

Liberty has been approved to offer the Restricted ATP program, commonly referred to as the reduced-hour ATP program.
